Rob:

I'm filling in for Cheryl who is on leave this week. The OECA AA is coming to R5 today and the DRA just asked for an updated briefing on the Central Sands case, including an estimate of when all lab data will be finalized. Can you provide an estimate? Also, after reviewing the preliminary N-N data management wanted to see if it would be possible to re-analyze some samples. Give me a call if you have any questions. We have a 11am deadline for the briefing paper.

Thanks,
Dean
